EDUCATION

Southern University of Science and Technology	Shen Zhen, Guangdong, China
BS Data Science	(expected) Sep 2024 - Jun 2028

SKILLS

Programming Languages: Python, PyTorch, ML, DL, Docker
Agency: OpenCode, Claude Code, OpenClaw, LangChain, Coze
LLM Inference: vLLM, Ollama
Big Data Analysis: Spark, Hadoop, SQL

WORK EXPERIENCE

RA Supervised by Lili Wang	SUSTech Social Science Center
Conducted systematic literature reviews and preliminary data analysis to support interdisciplinary social science research upon the metro construction.	June 2025 - July 2025

PROJECTS

Dunhuang Mural Restoration <i>Diffusion Models, Multi-scale Aggregation</i>	SUSTech
Innovatively applied Diffusion Models and multi-scale aggregation to restore missing textures in Dunhuang murals, achieving high visual consistency. The project stood out among thousands of submissions.	May 2025
Meteorite Dataset Image Recognition <i>Computer Vision, EfficientNetV2</i>	SUSTech
Deeply fine-tuned the EfficientNetV2 model for large-scale meteorite dataset image recognition. Stabilized and improved the recognition accuracy to 0.85 through precise hyperparameter tuning and architectural optimization.	Oct 2025
CUMCM Core Data Processing <i>Data Cleaning, Feature Engineering</i>	SUSTech
Led the core data processing in the National College Mathematical Modeling Competition. Executed efficient data cleaning and feature engineering on massive and chaotic raw datasets to provide a solid foundation for subsequent modeling.	Sep 2025
Collective Credit Algorithm <i>Advised by Yifang Ma</i>	SUSTech Dept. of Stats and DS
Researching citation networks and developing novel algorithms for scientific credit attribution.	(expected) Jan 2026
2025 China Future Analyst Competition <i>CFA Institute</i>	Apr 2026 - Jul 2026
Selected participant in the national financial analysis competition focusing on equity research and valuation.	
lifelog <i>Vue, TypeScript, Expo</i>	Jan 2026
Independently developed an AI-powered cross-platform private diary app during the intensive 11-day Shenzhen Disruptive Innovation Challenge Winter Camp. Leveraged deep Vue integration and external API orchestration for multi-platform delivery.	

AWARDS

First Prize Scholarship, 2024-2025	SUSTech
Recognized the overall outstanding performance	Oct 2025

“Challenge Cup” National College Student Curricular Academic Science and Technology Works Competition First Prize in Guangdong

Recognized for the awesome works implementing ai in art conservation

May 2025

LEADERSHIP & ACTIVITIES

SUSTech Community Life Committee (CLC)

Shen Zhen, Guangdong, China

President / Chairperson

Sep 2024 - Present

- Leading a committee of 40 members to provide comprehensive services for over 1,000 students on campus.
- Coordinating between the student body and university administration to improve campus life and student welfare.
